

ALLEGATIONS DISCLOSED/INTERVIEWS: I met with Bonnie and her husband to talk about the allegations in the report. I asked Bonnie and Michael about Hilary and any concerns that they had. Bonnie stated that Hilary was staying in the studio they had made in their barn and a couple of weeks ago they found drugs. She stated that needles were found in the barn and she told Hilary that she was no longer allowed to stay there. She stated that they have boxed up Hilary's stuff so if she comes back she needs to leave. Bonnie stated that a few weeks ago when she found Hilary in the barn with all of her band member friends she told everyone to leave. She stated that Hilary started fighting with her and at one point punched her in the face. Bonnie stated that she called the Sheriff's office and told them that the police were coming.
